Abstract: A Claimant's eligibility for Pension is determined, in part, by countable family income and net worth. Any individual who has applied for, or receives, VA Pension or Parents' Dependency and Indemnity Compensation (DIC) must promptly notify the VA in writing of any change in entitlement factors. VBA uses Eligibility Verification Reports (EVRs) to receive income and net worth information from Pension and Parents DIC claimants and beneficiaries to evaluate eligibility for benefits. The reported information can result in increased or decreased benefits. Typically, the claimants and beneficiaries utilize the form to notify the VA of changes in the income and net worth, though the forms could be used to reopen a claim for benefits in limited circumstances. In an effort to safeguard Veterans and their beneficiaries from financial exploitation, the instructions on forms within this collection were amended to include information regarding VA-accredited attorneys or agents charging fees in connection with a proceeding before the Department of Veterans Affairs with respect to a claim.. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The ***Federal Register*** Notice with a 60-day comment period soliciting comments on this collection of information was published at 86 FR 67 on April 9, 2021, page 18588.

Affected Public: Individuals or Households.

Estimated Annual Burden: 34,500 hours.
